

Data Protection Policy Statement

RCU Solutions Limited are committed to complying with data protection principles and good practice in accordance with the General Data Protection Regulation 2018, and we shall:

- Only process personal data where this is strictly necessary for legal and regulatory purposes, contractual purposes, or to provide a product or service to our clients
- Only process the minimum personal data necessary for these purposes
- Provide clear information to individuals about how their personal data will be used and by whom
- Only retain personal data for the length of time necessary to carry out the defined purpose
- Maintain a documented inventory of the categories of personal information processed by us
- Ensure that personal data is adequate, relevant, accurate and, where necessary, up to date
- Respect individual's rights with regard to their personal data and ensure that it is processed fairly, lawfully and in a transparent manner
- Ensure that personal data is processed in such a way that ensures its security, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage
- Not transfer personal data to a country or territory outside the European Economic Area unless an equivalent level of protection to that within the EEA is applied

This Statement represents our commitment to data protection and will be reviewed annually to ensure its continued relevance and adequacy.
